On September 25, 2024, history repeated itself as Anna Maria Island was once again submerged underwater. A historical marker in Bayfront Park at the north end of the Island has always served as a poignant reminder that on the night of Oct 25-26, 1921, the island disappeared under a hurricane-spawned tidal wave, reshaping and transforming its landscape. Everything went underwater. Today, the island still stands, and once again, we will see the power of God through the resilience and recovery of his people at work. Just as it was restored before, it will be restored again. It is heartwarming to see the community come together to assist one another in this time of need. The coastal barrier islands along Manatee and Sarasota counties, with much of the southern United States, are reeling from the aftermath of Hurricane Helene. Scenes of destruction and debris dominate the landscape, but amidst the devastation, there are glimmers of hope, courage, and miraculous stories of survival. Is this an act of God, as insurance companies claim? While many refer to such disasters as "acts of God," let's take a moment to reflect on a deeper truth. Without question, there has been significant loss and hardship, but even in the storm's fury, there are remarkable stories of protection and resilience. Do we see the glass as half empty or half full? Those of us who look to God know He is not the author of this destruction. Rather, our loving Savior is always present, offering hope, healing, deliverance, and rescue amid the chaos.

Devastation Strikes the Southern States: A Call for Faith Amidst the Aftermath of Helene

PASSAGE KEY
GATEWAY TO HISTORIC TAMPA BAY
(continued from other side)

During the early 1830's Passage Key was the site of a fishing "rancho" operated by Baltimore sea captain, William Bunce. The island was later a haven for refugees seeking safety from marauding Indian war parties. The fresh water lake, probably spring fed, was a watering station for coastal voyagers. In 1836, the U.S. Schooner *Grampus* and Revenue Cutters *Washington* and *Jefferson* anchored close ashore while their guns and shore parties protected settlers from the Indians. Passage Key was designated a migratory bird refuge by President Theodore Roosevelt in 1905. The island thereafter served for a time as the home of Captain Asa N. Pillsbury, Jr., a National Audubon Society warden, who in 1910 reported 102 species of birds sighted on the island. Captain Pillsbury remained warden of the island until 1921 when, during the night of October 25-26, the island disappeared under a hurricane-spawned tidal wave. Since then the island has gradually re-emerged and is once again a sea bird sanctuary, having been declared a part of the National Wilderness Preservation System by the U.S. Department of Interior.

First of all, God is not the author of the storm named Helene. Scripture tells us, "Every good gift and every perfect gift is from above" (James 1:17), and

"The thief comes only to steal, kill, and destroy; I have come that they may have life and have it to the full" (John 10:10). This storm was a force of destruction, but thanks to the power of prayer and God's protection, the outcome could have been far worse. While there is damage, there is also the promise of rebuilding and renewal as we lean on Jesus Christ, the author of life and the one who carries us through every challenge. Do not blame our loving savior for what the devil did. When you hear it said this was an "act of god," be sure to note it is the god of the present world system, satan himself, and not our God of life who created all things for our enjoyment. Jas 1:16 Do not err, my beloved brethren.

This storm was straight out of hell, and its' intended purpose was to steal, kill, and destroy. 2 Cor 4:4 In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them. (A Biblical reference to satan as the god of this world. Little "g") Although satan made a powerful attempt to destroy it, the prayers of the saints around the world stayed his hand. As horrible as it was, we thank God because it could have been worse. **Continued on Page:7**

**MY
COUNTRY
'TIS OF THEE**

By Rev. Madeline Montez Duffany

→ www.facebook.com/madeline.duffany

'My Country 'Tis of Thee' – or simply known as 'America' – is a patriotic song of the USA, the lyrics of which were written by Samuel Francis Smith. National anthems like 'The Star-Spangled Banner'; 'God Bless America' (first sung by Kate Smith on November 11, 1938, on the Kate Smith Show), and the 'Pledge of Allegiance' are expressions of loyalty to the Republic and the flag of the United States of America. We have always, until recently, honored our Country in public schools by singing 'Faith of Our Fathers' and praying the Lord's Prayer ... "Our Father, which art in heaven, hallowed be Thy Name ..." I remember well how our entire class and school assemblies always sang one or more Christian hymns. I have never been politi-

cally minded or expressed my personal political beliefs, but I am now very much aware of the dangerous times that have come upon our nation. Is God still honored? I think not, and without Him, we will certainly fail in our personal lives and as a nation. Yes, Christians are praying and have great concern. The world seems chaotic as people run to and fro, just as it says in God's Word. Daniel 12:4: "But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased." We are right now in or close to the End Times as God instructed Daniel through His angel. People have access to great volumes of data and knowledge. Yet, they don't seem to consider

the future as spoken of by God in His Word. They don't think about the short and long-term consequences of their actions, inventions, and plans for people and the world. Hope and fear will take over the lives of people of the world unless they receive a revelation from God and realize that God is Real indeed, that He is still on His Throne as Ruler of the universe of mankind, and that He is VERY aware of everything which occurs on planet earth and elsewhere. We can stress, complain, vote, and differ, yet Father God has the final say. He will do as He pleases. We must trust Him completely and know He has our best interests at heart. Do you believe this? Do you believe that God is really there? We need

Him now more than ever! The problems of our nation and people do not reside only in erring government or bad political figures. Ephesians 6:12 says, "For we wrestle not against flesh and blood – our real foes are not human, yet Satan constantly uses human beings to carry out his dirty work – but against principalities (high-ranking rulers, spiritual beings in Satan's kingdom); against powers; against rulers of the darkness of this world; against spiritual wickedness in high places. This is the reason that God goes on to say in Eph 6:13, "Take unto you the whole armor of God (because of what we face) that we may be able to withstand in the evil day..." I am going to read about this spiritual warfare each day because we all need to be equipped against the rulers of darkness and what lies ahead. 'My Country, 'Tis of Thee' – because of God and the faith of our fathers – those who went before us to establish this United States of America. Now, it is our time to keep that faith strong. We are in a battle but remember that God is the Victor! Look at how He keeps us! Protects us! Loves us! Encourages us! To God be the glory, forever and ever! This is God's Truth Pastor Madeline M. Duffany

HOW TO BE EFFECTIVE IN GOD'S ARMY

Hurricane Helene: Billy Graham Rapid Response Team Chaplains Deploy to Multiple Locations Throughout the Southeastern United States

By Billy Graham Rapid Response Team (BG-RRT)

Billy Graham Rapid Response Team

CHARLOTTE, N.C., Sept. 30, 2024 /Christian Newswire/ -- Following the historically devastating impact of Hurricane Helene, the Billy Graham Rapid Response Team (BG-RRT) is deploying crisis-trained chaplains to multiple areas across the southeastern United States. A Category 4 storm, Helene slammed into Florida on Thursday night before moving into Georgia, the Carolinas, and beyond. As of this time, the BG-RRT deployments will include: Tampa / St. Petersburg, Florida; Perry, Florida; Valdosta, Georgia; Buncombe County (Asheville), North Carolina; High Country (Watauga, Ashe and Avery Counties in North Carolina, and Johnson County in Tennessee) "It's heartbreaking to see the scale of the destruction from Hurricane Helene. In my nine years serving with the

Billy Graham Rapid Response Team, I've never seen damage as widespread. I know we are all praying for those impacted and especially those who have lost loved ones," said Josh Holland, international director of the BG-RRT. "We're sending our chaplains to offer hope and comfort to the weary and broken in the midst of this horrific disaster." The BG-RRT is deploying in conjunction with Samaritan's Purse, the Christian disaster relief organization that Franklin Graham also heads. Together, the two ministries will address the physical, emotional, and spiritual needs of those who have been affected. In addition to the Hurricane Helene deployments, BG-RRT chaplains are also meeting emotional and spiritual needs in Northern California (wildfire), Brazoria County, Texas (Hurricane Beryl), and South

Central Louisiana (Hurricane Francine). Chaplains are also offering hope and providing emotional comfort and spiritual care to families who have been forced to flee their homes in war-torn Ukraine. About the Billy Graham Rapid Response Team The Billy Graham Rapid Response Team was developed by Franklin Graham and the Billy Graham Evangelistic Association following the attacks of Sept. 11, 2001. It has since grown into an international network of chaplains in the U.S., U.K., Canada and Australia who are specifically trained to deal with crisis situations. They have deployed to more than 800 disaster sites across the globe, including shootings, floods, hurricanes, wildfires and tornadoes. (Photos credit to Billy Graham Evangelistic Association)

Tattoo Testimony

By Robin Art

Blessings

Today I'm going to share with you the most unusual way I've ever led someone to the Lord. There are many ways to open conversations. Each person is different. I always depend on Holy Spirit to show me what to say. On this day, the Lord led me to a department store. (Now, initially, what I said to my cashier obviously would Never be a soul-winning tool, but what I said to him was what I believe Holy Spirit gave me to say). It was indeed very controversial, but at that moment, I had to decide to trust God even though it made no sense to me. This is how the event unfolded: As I brought my one item to the register, I greeted my cashier. He was a friendly, well-groomed young man in his twenties. I noticed large tattoos which entirely covered his forearms. As I looked at his tattoos, it was as though I saw the Bible open up before me over his tattoos, and I discerned that this young man had a destiny and a call of God on his life. His tattoos were literally representing scripture to me and showing me how to minister to him. They showed me where he was in life and what he was searching for. This is called Prophetic Evangelism.

"Wow," I said to him. "You have a lot of tattoos". "Yeah, do you like them?" he asked, holding out his arms. "Dude, that's messed up!" I said to him. "Oh! What did I just say?" I thought to myself. "What? You don't like my tattoos?" he replied. He looked so disappointed. There was no

one behind me in line, which gave me the opportunity to speak with him. I said to him, "So, tell me about your tattoos." "Well," he said, holding his arms out. "This first one with the word "Blessings" wearing a crown; this one stands for Blessings." "Right," I replied, adding, "Blessings; Life and all the Good Things life can bring, right?" "Right". He agreed. "Great! I like that one". I said, smiling. "Now tell me what this big skull wearing a crown stands for." "Death," he said. "Right, I explained; The Bible speaks of Death. It speaks of Blessings and Curses, Life and Death. You've got to Choose! What do you want for your life? Do you want Blessings or Curses for your life? The Bible says Jesus came to give us life and life more abundantly. It says," The thief comes to steal and to kill and to destroy. I have come that they might have Life and that they might have Life more Abundantly". "Jesus came to give us Life, a better life. Is that what you want for yourself?" "Yes," he said. There was still no one in line behind me, so I asked him, "Would you like to repeat a short prayer after me & invite Jesus into your heart?" "Yes, he said. So I raised one hand and said, "Raise up your hand and say, Dear Lord Jesus." (Now notice, because this was a cashier who handles money and the security guard was nearby, I did not say, "Put your hands up." (No, that would not be a good move). I raised my hand, and so he put his hand up and repeated, "Dear

Lord Jesus." Just then, a man shouted, "Stop!" He ran and stood beside my cashier. My heart sank. "Oh," I said to myself. His boss must have been listening, and now I've gotten this young man in trouble," I assumed. But as the second man approached, he implored, "Please, wait for me. I want to pray too!" This second man was the cashier from the register next to us. He had been listening to our conversation. He wanted to ask Jesus into his heart as well. ("Hey, I said to myself; I've got a "two-for"!") Praise God! After they both asked Jesus into their hearts, I asked my cashier, "You know, since this skull is just an outline, you still have time if you want to add to it. What would you think about going back and having them color in the skull to make it into Jesus wearing the crown? He said, "Great. What a good idea, I think I will!"

Now, the bible does say not to get tattoos. Leviticus 19:28 - "Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the LORD."... but seeing as it was already there, I thought it might serve to become part of his testimony one day. Perhaps his tattoos would be a visual demonstration of how he was once lost to the world, but now he is being conformed to the image of Christ. He then held out his other arm and asked, "What about this lion's head wearing the crown? What do you think that..."

THE EMPOWERMENT OF THE WORD AND THE HOLY SPIRIT WITHIN

Sarah Jansson | An Apostolic / Prophetic Ministry | Heart of Mercy Ministries

LY SEEK HIM SHALL RECEIVE THE DESIRES OF THEIR HEARTS

The Word says to love the Lord your God with all your heart, with all your soul, and with all your strength. But how do you do that? When we are taught by lifelong experiences of human love tainted by hurts, unmet needs, wants, and disappointments?

ONLY BY THE HOLY SPIRIT!

ONLY as we yield and surrender to the third person of the trinity can we learn to love the Father, the Son Jesus Christ, and the Holy Spirit Himself the way they desire and have designated for us to love them. So that we can receive the fullness of all they have created us to receive.

ONLY THEN Can we love our brothers and sisters and the people of the world as he wants us to!

ONLY THEN Can He love through us the love of Christ, for mankind when Jesus died on the cross and rose again!

ONLY as we yield and surrender to the power of the Holy Spirit to teach and train us in loving our Lord and Heavenly Father God and the Holy Spirit Himself, can we truly understand and walk in and live in the Agape Love of God.

NOT By might nor by power **BUT** by His Spirit, says the Lord.

THERE IS NO PROBLEM YOU ARE FACING TODAY THAT YOU AND YESHUA CANNOT FACE TOGETHER...AND WIN!!!

He is El Shaddai, the God that is MORE than enough! He is your Provider. All your needs are met in His riches in glory by Christ Jesus. He is your Peace; He shall guard and guide your heart and your mind. He is the Presence in your midst. Do you really need anyone else?

He is the Resurrection Power within you; His name is Holy Spirit. You can do ALL things through Christ Jesus, who strengthens you. He is the living Word of God that lives within your heart.

SEEK 1ST THE KINGDOM OF GOD AND HIS RIGHTEOUSNESS, THEN ALL THESE THINGS WILL BE ADDED UNTO YOU.

THOSE WHO DILIGENT-

circumstances) but the powers of darkness. So, with God's complete armor on, you will be able to **RESIST AND STAND. RESIST AND STAND.** Stand holding your ground, tightening up around you the Word of God. Placing on your feet the Gospel of Peace, God's Peace. Lifting up the shield of faith. Taking up and standing in your Salvation. (your saving faith and testimony in Jesus)

Letting the Sword of the Spirit, which is the Word of God, come out of your inner man as a two-edged Sword, alive, active, and sharp. And at all times, everywhere, pray in the Spirit, for the Holy Spirit within you knows what to pray and how to bring it forth to accomplish His will, and He knows the heart and mind of the Father.

You are redeemed today by the blood of the lamb and the Word of your testimony from any and all spells' Hexes, vexes, incantations, words and prayers of witchcraft, demonic soul ties strongholds, generational curses, seals snares deception lies, mind control traps, spiritual influences and demonic forces of any sort. You are redeemed and let the redeemed say so that they are redeemed from the hands of the enemy. For whom the Son sets free is free indeed! He has commissioned holy angels of God to go forward with the fiery swords and bring distraction and destruction to the enemy's camp in your life. To wash you, cover you, and sustain you today with the blood of Jesus.

Go not by what you see here or feel, but pick up your shield of faith and let the sword of the spirit come forth out of your mouth this day in Jesus name. Hold up the banner of victory in your life in Jesus holy name!

Many Blessings, Sarah Jansson

FEAR

By Rev Judy Miles

Fear ever met this beast? It creeps in by a dozen different colors. A distressing emotion aroused by impending danger, evil, pain, etc. Whether the threat is real or imagined. Examples: apprehension, dread, dismay, terror, panic. Luke 21:26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth; for the powers of heaven shall be shaken. Proverbs 9:10 says, "The fear of the Lord is the beginning of knowledge; fools despise wisdom and instruction." This is a reverent and respectful fear. An acknowledgment of God's Sovereignty, holiness, and power. Fear of man - Proverbs 29:25 says, "The fear of man lays a snare, but whoever trusts in the Lord is safe." This is a fear of what others might think, say, or do to you. Take a look around. Almost all you see and hear these days is Fear. It's everywhere. Unlike the rest of the world, believers don't have to cope with or tolerate fear in any way, we Attack it and get rid of it. Jesus didn't cope with the works of the devil; He destroyed them. That was His whole reason for

coming to earth. And He destroyed them by going straight to the core of the matter. 1John 3:8 For this purpose the Son of God was manifested, that He might destroy the works of the devil. Psalm 27:1 The Lord is my Light and my salvation; who shall I fear? The Lord is the strength of my life; of whom shall I be afraid? Fear, a secret enemy, invades men of every age and every walk of life. It is subtle [cunning, crafty]. So subtle that you can stumble because of it and not even see that it is there. 2 Timothy 1:7 For God has not given us a "spirit of fear," but of power of God through the Holy Spirit enabling us to no longer be victims of Fear, but of Love and of a Sound Mind. A disciplined thought pattern. As a spirit, Fear invades the human spirit; it must be evicted by the perfect Love of the Holy Spirit for true deliverance to take place. Every day we choose to live by Faith or Fear. Fear has a profound negative effect on us. Fear stifles creativity, immobilizes action, hinders prayer, damages relationships, paralyzes decision-making, and jeopardizes health. Fear enters our minds so slowly and si-

lently that we hardly realize we are becoming victims of its damaging influence. Fear can latch onto any life situation that comes our way. Fear acts like a poisonous snake bite, then releases venom into the bloodstream and makes its way to the heart. When our hearts are full of fear, we are paralyzed by its venom, and all our faculties are deadened. We're left incapacitated and unable to function. What are some Fears? Fear of failure; fear of heights or depth; fear of crowds; fear of disease; the unknown; fear of rejection; fear of unemployment; fear of what others say about you; fear of moving away; fear of being yourself; fear of financial reversal; fear of war; fear of the dark; fear of being alone; fear of conflict or change; fear of death. Some feel their salvation is not secure. Fear is devastating, poisoning our thinking, robbing our inner peace, and squelching our zest for living. It makes us nervous, uneasy, alarmed, disturbed, upset, and

fainthearted. Fear is based on what is happening around us. Fear says, "What if." Fear is the emotion that springs from the knowledge that one's life is not pleasing to God. Through disobedience, Adam and Eve sinned and then hid from the presence of the Lord. God called them, and Adam said, I heard thy voice in the garden, and I was afraid." Satan knows our weaknesses, and in these areas, he presents thoughts and fears. Satan takes full advantage of our fears. At every opportunity, he intensifies them and makes them seem more real and logical. If an antidote is not administered soon, Fear can destroy you Spiritually, Emotionally, Mentally, and Financially. Fear is one of the deadliest bondages. David slams the door in fears face with the declaration in Psalm 27:3 Though an host should encamp against me, My heart shall not fear; though war should rise against me in this will I be confident. Overcome fear by not fretting, trusting in the Lord, delighting in the Lord, committing your way unto the Lord, reliance upon the Holy Spirit, looking upward, Assurance of God's sovereignty, and Prayer. Yes, Fear is a stronghold, and it's up to you to pull it down.

...Whosoever will come after me, let him deny himself, and take up his cross, and follow me. - Mark 8:34

Tattoo Testimony

From Page: 4 ...means"? "Lion of Judah," I declared!", placing my hand over the tattoo. "Yeah, that's what everybody's been telling me it means," he replied. This nice young man was searching for answers in life. He was searching for an identity. You see, so many people in this world

are just lost and looking for others to help them find their identity. But we know Jesus gives us our identity when we discover who we are in Christ. There was something very prophetic about those tattoos. God had me meet him just one hour before his last day at that store. Simply by

noticing his tattoos and asking him to tell me about them showed him there was someone genuinely interested in him. That opened up our conversation. His tattoos told a prophetic story. I do believe this young man has a call of God on his life. Who knows how many lives might be touched by him? You never know what God might do just by leading one person into the Kingdom.

Mammogram Report Reversed

By Trish Sturiano, Kingdom Life Church | kingdomlifechristianchurch.org/home

great. I went ahead and got the ultrasound done, and then she did the ultrasound again, and then went ahead and did it again! You could see the screen, and I thought, I don't really see anything,

minutes and says we'll see you next year. It caught me so off guard. I looked at him and asked, "Why did you need to keep doing that ultrasound?" And he said what we saw on the first test was no longer there! We had to confirm it with the ultrasound because that was odd, and so we needed to confirm it. That's why we had to keep doing that test, just to make sure that everything was clear. Praise the Lord, we got a good report. I just want to say that for those of you who need prayer for healing and have something going on in your life or with a loved one or a friend.

Jesus, when He was in Galilee in John chapter four, there was a nobleman who walked over 20 miles to come to see Him for his son, and his son was not present. His son was sick and couldn't be there. And he says to Jesus, please heal my son. And Jesus was so moved by his faith that He said, by the time you get home, your son will be healed. Whoever you may be praying for that may be sick, a loved one, or a friend. If you have the faith for them, they can be healed. We want to pray. We are just going to believe for miracles because that's the normal Christian life. Amen.

Father God, I just, we come before you today and we just thank you, Lord, for all that you've done, all that you will do. And Lord, we just, by faith, we say, be healed. And we say, Lord, that whatever is going on in anybody's body, physically, mentally, whatever it is, Lord God, you are above that. You are above that situation.

Your name is above cancer. Your name is above whatever it is. And Lord Jesus, we just speak healing. We pray healing for anybody who needs a touch from the Lord. We speak, be healed! Thank you, Lord Jesus. We receive that in Jesus name.

A few weeks ago, I went to the doctor for a yearly mammogram and wasn't nervous about it, so I went and had it done. The next day, I got a call to say that they had found something abnormal and that I needed to come back for some more testing. I needed to make my appointment as quickly as I could.

but I don't know what I'm looking for. But obviously, she sees something, and you start to think, and then she says I'm going to have you sit in this waiting room for a bit. The radiologist is going to need to come talk to you.

And I was like, Oh, okay. I'm preparing myself for that. The radiologist comes in after about ten

I was not able to get in for a few weeks. How many of you also know there's no situation that catches the Lord off guard? He knows what you're going through. So, I found that God was not only sympathetic to everything that I was going through, but he also gives you words through people.

I prayed about who I was to share it with, and He gave me a few names to share it with them and ask them to pray. I had one that came to me and said the Lord had spoken to her and said I was not to have the spirit of fear in this. And I thought, okay, yeah, that's easier said than done, I won't have fear.

Really, I felt at peace; the Lord was giving me peace for the most part. And then after a week or two, I have to say that my mind ran away with me a little bit. The biggest thing is that as a mom and a wife, you worry about what you're putting your family through.

That's the hardest part of it all. So, when I started to go down that road a little bit, the Lord would again give me another word through my husband, who came home and said the exact same word that I had gotten a week ago. That I was not to have the spirit of fear, that the Lord was really going to bring me through this.

And He was definitely holding my hand through it. Anyhow, I went ahead and had my follow-up appointment, and they told me that they would redo the mammogram. They would also possibly have to do an ultrasound just, depending on what they saw. I got there on Friday morning, and I was very calm.

I went ahead and had the test done right away. Yeah, she said, we're going to need to go ahead and do that ultrasound. And I thought that doesn't sound real

John Ramirez, Warlock Turned Evangelist, Unmasks the Schemes of the Devil and Unveils the Insights Needed to Rupture the Enemy's Grip on Your Life

By Charisma Media

LAKE MARY, Fla., Sept. 30, 2024 /Christian Newswire/ -- As a former high-ranking satanic priest, John Ramirez knows firsthand how the devil operates. Now a God-fearing believer, he is ready to release upon the world several undeniable truths: the evil schemes playing out right beneath many believers' noses as well as the shut eyes and ears happening in many complacent churches. In his book, *Exposing the Devil's Playbook*, John Ramirez seeks to unlock the spiritual handcuffs crippling believers before the devil sets foot on the battlefield of their lives (ISBN-13: 978-1-63641-377-8).

"This is the spiritual condition of the church today. We think we know. We hope we know. But do we really know the spiritual warfare that we face and the spiritual warfare that is ahead of us?" Ramirez posed. Exposing the Devil's Playbook will not only strengthen your spiritual sight but also equip you with the strategies and weapons to defeat the devil. A spiritual war has been waged over your soul. Are you willing to fight the good fight of faith? Can you even see the enemy? John Ramirez's hope for this book is to help you "know the adversary, the devil, is not only a defeated loser and a defeated foe, but he is [also] always under our feet, looking up toward

Devastation Strikes the Southern States: A Call for Faith Amidst the Aftermath of Helene

From Page 1.. We will rebuild by the power of the True God, the author of Life, our Lord Jesus Christ, who never leaves us nor forsakes us. Even in the storms, He is the One who always makes the way out for us. Some may ask, "Is this judgment?" But the Bible offers clarity in **Luke 13:1-5**, where Jesus teaches us that such tragedies are not punishment for specific sins. Instead, He encourages us to seek Him and leads all of us to repentance, growth, and a deeper walk of faith. **Luke 13:1** There were present at that season some that told him of the Galileans, whose blood Pilate had mingled with their sacrifices. **Luke 13:2** And Jesus answering said unto them, Suppose ye that these Galileans were sinners above all the Galileans, because they suffered such things? **Luke 13:3** I tell you, Nay: but, except ye repent, ye shall all likewise perish. **Luke 13:4** Or those eighteen, upon whom the tower in Siloam fell, and slew them, think ye that they were sinners above all men that dwelt in Jerusalem? **Luke 13:5** I tell you, Nay: but, except ye repent, ye shall all likewise perish. No, this is not a judgment on particular areas. It is a call to repentance, and seeking the Lord. This is certainly not a time to blame anyone or anything, especially our Savior and Lord Jesus. My heart hurts for those

affected so tremendously, and if my heart hurts and I was born in sin, how much more does the heart of a sinless God hurt for His people? If we, as flawed human beings, feel compassion for those affected, how much more does our perfect, loving heavenly Father grieve for and stand with those in the midst of their suffering? He is always with us, offering comfort, strength, and the promise of restoration. For those who have survived the storm, especially in the hardest-hit areas, the fact that you are here to read this is a miracle and a testament to God's protection. You have much to be thankful for. While homes and businesses may be damaged, they can be rebuilt. Insurance and government aid are available to help. Even though it may seem like the end, it is actually a new beginning. Change is never easy, especially when forced, but God's guidance will lead to greater strength, purpose, and renewal. By trusting the Lord, God promises to help you arise and become better off than before. Now is the time to seek the Lord, not to blame Him. We must embrace His offered love and guidance. This is not a time to assign blame but to stand in faith, knowing that God is more than able to turn things around for our good. The material things of this world are but temporary

at best, but the eternal is our home and final destiny. **2Cor 4:16** For which cause we faint not; but though our outward man perish, yet the inward man is renewed day by day. **2Cor 4:17** For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory; **2Cor 4:18** While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal. Our prayers go out to every individual, family, and community affected by Hurricane Helene. Having lived in Manatee County for 34 years and experienced many hurricanes, I can say this was the worst I've seen—but I also know that we will recover, stronger than before, by God's amazing Grace. In the face of challenges, we are reminded of the importance of living a life of purpose and faith. As we rebuild, let's hold fast to the knowledge that with Jesus, we have the opportunity to leave behind a lasting legacy—one that will impact generations to come. Together, we will rise, rebuild, and move forward, filled with hope and gratitude for the blessings that still remain. **24-hour recorded prayer line: 1-833-463-7325** +++

It's All About Control: The Rise of Totalitarianism and the Great Reset

By Pastor Chuck Kennedy | www.ficcWordChurch.org | www.God-isReal.com

In today's rapidly changing world, one thing seems clear: a powerful agenda is at play, orchestrating global policies that push humanity toward a future dominated by elite control. They think it is for their benefit, **but little do they know the coming anti-Christ is behind the scenes, orchestrating it.**

From electric vehicles and climate regulations to medical mandates, digital currency, and artificial intelligence (AI), these changes are being introduced in the name of progress and public good. But beneath the surface lies a more troubling reality—a push for totalitarian control by a small group of elites, consolidated into what's now called the **"Great Reset,"** with a target date of 2030. This, unbeknownst to them, is actually the groundwork for fulfilling the prophecies in the book of Revelation.

The **COVID-19** pandemic didn't create this agenda, but it served as a catalyst, accelerating efforts that have been in motion for decades, carefully designed by the wealthy elites and banking families like the Rothschilds. These plans are rooted in greed and power, aiming to create a world where individual freedom is sacrificed for centralized control, all while the public is convinced it's for their own good.

Revelation 13:16 *And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

Revelation 13:17 *And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

The Great Reset: A New World by 2030

The **"Great Reset"** was introduced by the World Economic Forum (WEF) as a bold vision for totally reshaping the global economy and society by 2030. At its core, the Great Reset promotes an overhaul of everything we have ever known in life. WEF founder Klaus Schwab's now-infamous phrase, **"You will own nothing and be happy,"** paints a picture of a future where individual freedoms give way to collective control, with the elite holding the reins.

While this is presented as a necessary step toward sustainability and equality, the reality is The Great Reset isn't about improving the lives of the many—it's about consolidating power in the hands of the few. The result will be a population completely dependent on government and corporations with little to no personal autonomy.

Central Bank Digital Currencies: The Future of Financial Control

One of the most significant parts of this agenda is the push for **Central Bank Digital Currencies (CBDCs)**. Unlike traditional currencies, CBDCs are fully digital and operate under the control of central banks, **with every transaction tracked and recorded.** The move toward digital currency is often promoted as a more efficient and secure alternative to cash. But in reality, it grants unprecedented power to governments and central banks to monitor, control, and restrict financial transactions.

With CBDCs, governments could easily implement policies to restrict purchases, impose negative interest rates, or penalize certain behaviors by simply controlling access to money. If your behavior doesn't align with the government's agenda, your access to funds could be limited or even cut off. It's about total financial control.

The elimination of cash and the introduction of a centralized digital currency would be the final step toward erasing your economic freedom, creating a system where your every financial move is monitored and controlled by those at the top.

Digital IDs: The Key to Unlocking Control

Alongside digital currencies, the rise of **digital IDs** is another tool being introduced under the guise of convenience and security. Countries and global institutions are pushing for digital identification systems that link a person's entire life—financial information, medical history, education, and more—into one unified profile.

While marketed as a way to improve efficiency and prevent fraud, digital IDs open the door to total surveillance and control over individual lives.

If your digital ID is tied to your access to basic ser-

vices, financial resources, and even travel, those in power have the ability to restrict or deny your access at will.

Combined with central digital currencies, a world with digital IDs would allow governments and corporations to monitor everything you do, where you go, and what you buy. **It would grant them the ability to reward or punish based on behavior,** creating a dystopian future where compliance with the system becomes mandatory for survival.

Climate Control and Electric Vehicles: A Convenient Excuse for Control

The push for **electric vehicles (EVs)** and stringent **climate policies** are framed as necessary steps toward combating climate change, but they also serve as effective tools for controlling the population. While heralded as eco-friendly, EVs are deeply connected to digital technology, enabling constant monitoring. Governments could implement mileage restrictions or limit travel zones in the name of reducing carbon emissions.

Similarly, climate policies such as carbon credits and **"net-zero"** goals are paving the way for more centralized economic control, dictating how people live, work, and consume. **"15-minute cities"** may sound convenient but raise concerns about movement restrictions and government oversight.

What's being sold as environmental protection is ultimately about creating systems that limit individual freedoms in favor of central control.

Medical Tyranny: The Pandemic's Hidden Agenda

The **COVID-19** pandemic revealed just how quickly governments could restrict individual freedoms in the name of public health. **Vaccine mandates,** lockdowns, and travel restrictions were rolled out globally, and those who resisted were labeled as dangerous. They laid the groundwork for future medical control.

We've already seen how quickly fear can be weaponized to justify the erosion of civil liberties. The pandemic normalized the idea of governments controlling where people

can go, who they can see, and what they can do—all under the guise of health and safety. It's not far-fetched to imagine future scenarios where **medical mandates**—whether vaccines or other treatments—become permanent fixtures, tied to digital IDs and central digital currencies. Refusal to comply could mean restricted access to essential services. Do you see how all these things are the foundation for the mark prophesied in **Revelation 13?**

The Rise of Socialism: A Convenient Mask for Elite Control

Socialism has long been marketed as a way to address inequality, but in reality, it often leads to the concentration of power in the hands of a few. The rise of socialist policies around the world reflects the growing willingness of the population to sacrifice freedom for the promise of government-provided security. However, in practice, socialism benefits only the elite, giving them more control over the economy, property, and personal freedoms.

The global elite, through institutions like the World Economic Forum and the United Nations, have been promoting these policies for years. The pandemic, once again, provided the perfect cover to accelerate their implementation. Under the veneer of fairness and equity, the real goal is to centralize control, making the general population dependent on the state and its leaders for survival.

In our nation today, we have presidential candidates whose roots run deep in socialism and even communism, and they do not even try to hide it. How could a nation that shed the blood of so many young men and women to defend freedom allow this to happen? The spirit of deception is being pushed onto the masses by media propaganda and lies from big corporations, blinding the public and ultimately trapping them.

Ephesians 5:6 *Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience.*

AI and Transhumanism: The Final Frontier of Control

Artificial Intelligence (AI) and **lying wonders, and transhumanism**—(Could this be transhumanism?)

and technology—represent the future of control in the elite's eyes. As AI becomes more integrated into society, from facial recognition to decision-making algorithms, it presents new ways to monitor and manipulate human behavior. **Transhumanism** goes a step further, promoting the idea of merging human minds with machines, promising **"eternal life"** and cognitive enhancements.

But what's really at stake is control over human consciousness itself. The same elites driving the Great Reset see AI and transhumanism as the next step in their agenda. They envision a future where human beings are not only monitored but modified, with technology acting as the ultimate form of control over body and mind.

They completely leave out the basic scriptural knowledge that we are first a spirit, possessing a soul and living on earth in a body. With transhumanism, the spirit of man is never considered; they leave out the very life of man, thinking they can play God and replace it with mechanical artificial intelligence possessing no love or emotions. The Creator is replaced by the creation!

2Thessalonians 2:9 *Even him, whose coming is after the working of Satan with all power and signs*

2Thessalonians 2:10 *And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.*

2Thessalonians 2:11 *And for this cause God shall send them strong delusion, that they should believe a lie:*

Wake Up Before It's Too Late

The push toward totalitarian control is clearer now than ever before.

The Great Reset, digital currencies, AI, medical tyranny, and climate control are all part of the same agenda, carefully crafted over decades by the wealthy elite. Figures like the Rothschilds and their allies have long been working behind the scenes to shape a world where they hold all the power, and the public is left to comply.

We are at a pivotal moment in history. If we don't wake up and resist this growing tide of control, we risk losing our freedom forever. The world the elites envision for 2030 isn't one of prosperity and equality—it's a world where they own everything, and the rest of us are left to comply with their rules.

It's time for the church to wake up and be the Body of Christ full of Godly wisdom and discernment to push back against this agenda and reclaim our freedom before it's too late.
