*A Miracle from God: Trump's Historic Victory and the Church's Role*  
By Pastor Chuck Kennedy | [www.ficcWordChurch.org](http://www.ficcWordChurch.org) | [www.God-isReal.com](http://www.God-isReal.com)

With 277 electoral votes and the popular majority, President Trump has made history as the second U.S. President to serve two non-consecutive terms. We have a miracle from the Lord. The church prayed, God heard and answered. We are grateful to God for His divine intervention. Reflecting on this, certain scriptures come to mind. In 2 Thessalonians, we are reminded of the eventual revelation of the Antichrist and the church's role as a restraining force. The passages

read:  
**2Thess 2:6** And now ye know what withholdeth that he might be revealed in his time.  
**2Thess 2:7** For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.  
**2Thess 2:8** And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

## I should Be Dead, but Satan Failed

By Matt Staver | Founder and Chairman | Liberty Counsel | [www.Lc.org](http://www.Lc.org)

In 2020, when the government tried to suspend the Constitution, we fought back and freed churches. Had I not followed the Lord's direction, I would almost certainly be dead right now. Obedience to the Lord saved my life. And in saving my life, the Lord orchestrated a series of wins for religious freedom that would not have happened otherwise. Although I am the subject of the story I am about to share, this story is not about me but rather about the

ard-Browne and held a press conference warning other pastors to close their churches. Representing the pastor and the church, Liberty Counsel immediately pushed back. The case instantly gained international attention. By April 1, the church was freed. Liberty Counsel represented over 2,000 pastors and churches against these unconstitutional restrictions, filed multiple lawsuits, obtained the first win at the Court of Appeals (3-0) regarding a Kentucky church, and won 5-4 and 6-3 decisions at the U.S. Supreme Court representing Harvest Rock Church and Harvest International Ministry. We obtained the first and only statewide permanent injunction against COVID restrictions on churches. For nearly a year, California Gov. Gavin Newsom criminalized worship in churches with more than one person, and this restric-

tion also applied to worship in private homes with anyone who did not live in the home. As a result of our victory, California had to pay 1.35 million dollars. I was very vocal against government restrictions on churches because such restrictions violated the First Amendment. Beginning in March and April 2020, I warned that lockdowns and the closing of some businesses, schools, and churches would cause collateral damage, including increased depression, anxiety, drug and alcohol abuse, domestic violence, child abuse, and sexual exploitation. Sadly, my predictions came true. At the same time, I also began warning about a global vaccination agenda accomplished by digital vaccine or health passports, tracing, tracking, and force. I warned about the mRNA shots as early as September 2020. My warnings about the lack of safety and efficacy of the COVID shots and about forcing people to get the jab became painfully evident. But for the Lord directing me, my team would not have collectively spent thousands of hours researching COVID and proper treatment protocols, and I would be DEAD. On September 4, 2021, I tested positive for COVID. I had no symptoms when I took the test, but within 24 hours, my health deteriorated significantly. My D-Dimer test (used to measure blood clotting conditions) was 18,521, when the high limit is 500. My oxygen levels dropped to the 60s. I was just days from death's door. I was very healthy. Two days earlier, I did my normal leg workout, pressing 730 pounds 30 reps on my fourth set. No problem. Within 10 days of testing positive, I reached a "fatal" condition. Had I gone to the hospital for Dr. Fauci's deadly protocol, I would not be here today. Thankfully, the research our team performed introduced me to amazing doctors. I thank God each day for my life, and I am indebted to my wife, Anita, and to these doctors — and most of all — to God! But that's not the end of the story. Obedience to the Lord freed churches and churchgoers from the unlawful shutdown orders. But the wins that came after that were nothing short of monumental. And that's why I believe Satan attacked me with illness in the first place — to prevent Liberty Counsel from winning even larger victories for life and religious freedom that lie ahead. Satan failed, and Liberty Counsel won major cases before the U.S. Supreme Court, defending life and religious liberty. Miraculously, I argued before the Supreme Court on January 18, 2022, regarding the "Christian Flag Case," *Shurtleff v. City of Boston*. The night before oral

This writing is my Praise Report and an opportunity to give God thanks for everything. As we drove up to Georgia and our new home, the winds and torrential rain bands of Hurricane Helene followed directly behind and around us. The storm was ferocious in the blackness of night as we made our way north on Route 75, winding country roads, and then Route 20 to our home. Visibility was at a minimum, and windshield wipers were running at maximum. We were so grateful to God when we finally reached our house and parked the truck and car for the night. My daughter, Janetta, and I (along with Ricky, our Chihuahua) were following in our Ford Explorer, Bob and Mark in the 28-foot U-Haul truck leading the way. We had driven all

day from Bradenton, Florida, on this Friday, September 27th, 2024, the day Helene hit the Big Bend area of Florida as a category four, then downgraded to a category one when it reached our area in Georgia that night. We prayed all the way, trusting our God to see us through. The winds and rain were terrific as the storm spawned several tornadoes directly in our area of hills and thousands of trees surrounding the homes therein. The storm downed many thousands of sixty-plus-foot Georgia pines onto houses and cars, blocking roadways with the giant trees, some of them three to four feet across at the base. BUT GOD! Miraculously, NO trees, of which there are twenty or more near the house, fell on our new home! God's grace is more than sufficient for

those who believe! Finally, in our home, during the night, we heard heavy rain on the roof and the train-like sounds of tornadoes as they devastated our neighborhood. The storm finally passed, thanks to God and His protection. Two days later, as we sat at supper, we watched in amazement as a very large tree top broke from its trunk about thirty feet above the ground, folding and landing in our backyard. It remained hinged to the trunk as it spread smaller branches and leaves in a fan-like manner, its top limbs touching the ground. If the tree had broken farther down or had been uprooted, it would have definitely struck our back deck and the house itself. As it was, God had us in His hand that night and spared us. Trees had fallen on houses all

around us, causing much damage, while hundreds of them blocked roads all over the Evans, GA area. On October 25th. Bob finally cut the entire tree down with a chainsaw, watching it fall exactly where we needed it to go, away from our deck and house. Bob had prayed several times during the night, asking God how to restrain the trunk and cut it in a manner to direct its fall to a safe place. He placed ropes and ratchet straps on the trunk, which leaned toward the back of our house. As I said, God put the tree on the ground in the exact spot we needed it to go. Praise God! Now, we are today, October 26, heading back to Bradenton, FL to bring more personal belongings to our home in Georgia. Pastor Chuck Kennedy invited us to minister the Sunday service at Faith International Christian Center in Bradenton. We were very honored to be trusted with the Word of God. Here's another miracle. We were praying for my sister, Evelyn, in California, having had a hip replacement a month prior to this. Yesterday she called to say, "Today is the first day I walked without a cane!" That's a miracle of very speedy recovery! Do I believe in miracles? Here's another one. On September 26, we picked up Mark, our son, ...

Kevin Sweet

## Delivered from Daily Addiction! Kevin Sweet's Testimony

By Kevin Sweet | Loving Hands Ministries Resident | [www.lovinghands.net](http://www.lovinghands.net)

My name is Kevin Sweet. I am 41 years old and from Florida. My story starts with a young boy who is lost and alone. I never knew my father. I grew up with a single mother who was a bartender and an alcoholic without a father. I was shuffled from babysitter to babysitter, sometimes I didn't even know these people. Or I'd be with my mother at the bar until 2 or 3 a.m. Growing up, I always searched for something to find my identity, where I came from, or who I was. And I never could find it. I turned to the world to grab everything I could try to grab—things that never would satisfy me. Things were temporary, never lasting. So, at a young age, I met my wife. We dropped out of high school and started a family very young. Receiving a wife and a daughter, I found I had something to live for. Things were good for a while, but I still had a hole in my heart—a God-sized hole that nothing in this world could fill. Turning to a life of fast money and drugs. For what's left of the last 16 years, I've been in full-blown addiction. For the first eight years, I was hoping to have some prescription pain pills, and for the last eight years, it

was a daily use addiction. That's amphetamines. This ultimately led me to lose my cars, my job, my Home, and ultimately, my family. According to this papa, I have two beautiful daughters, a handsome son, and the cutest granddaughter in the world. But this world, its distractions, and the devil have stolen it all from me. So, this brokenness led me to Loving Hands Ministries, where I've been for over three months. And God is just doing a mighty work in a short period of time. We get to sit at Jesus' feet. We get the distractions of the world cut off from us. We get to be washed with the word, renewing our minds. It says in Romans to not be conformed to the ways of this world but be ye transformed by the renewing of your mind. That's what we get to do here at Loving Hands. We get to set everything else aside and spend time soaking up Jesus. I found who my Father is. I found a Father now, and it's my heavenly Father. His name is Jesus. God is working mightily in my life. I'm talking to my family again. My daughters are back in my life. My granddaugh-

ter is happy to call me—Dad and Papa, and it's just so good. God is so good. What He's doing, just the thoughts I had before, are no longer there. They're being completely renewed. When I used to wake up every day and think, "Where will I get my next fix?" I wake up now and say, "How will I glorify God?" It all started with Jesus. Your will be done, not mine. It's not only about us but also about our family. It's about everyone that we touch. God uses us and works through us. So, I'm excited about what God is doing in my life. I'm happy to be in the ministry. I found a brotherhood here. I found guys who lift me up and pray for me every day. If they see me struggling, they help me. And it's for people like you, your church, that pray for us and help them. Thank you, guys, for giving to the Lord because I am a life that's been changed. I just want to leave you guys with my scripture verse: 2nd Corinthians 5:17. Therefore, if anyone is in Christ, he is a new creation. The old things have gone; behold, everything has become new.

Thank you All

### Miracles and Ministry

**From Page: 2** ...from a hospital to take him with us to Georgia. On the 23rd and 24th, I had made numerous phone calls to get him released. During the following month, he has completely stopped smoking and is eating healthy meals at home. He looks great and the ugly cough has all but disappeared. Physical work, proper sleep, and having God and family have made all the difference! Our electricity was restored days before they said it would happen, and we had hot and cold water all the time it was off, as we have a gas hot water heater. The Columbia County authorities said that the water would not be turned off. There was no flooding in our neighborhood, just a huge number of trees across roads preventing

travel. Today, I am reading in Psalm 16:6 concerning the Portion which God has given every Believer. I have always loved this verse: "The lines have fallen to me in pleasant places..." Yes, I have a goodly heritage. We all, as Believers, have ministries. Jesus had a ministry, and He spoke those words. It was pleasant and goodly — the Redemption of man! I can also declare, "I will bless the Lord, Who has given me counsel." When we are uncertain about which direction to take, Bob and I pray, read the Word, and seek God's answers. Moving to Georgia is a huge undertaking for us, very costly and physically demanding in every way. The Lord directs our paths. If you are not certain what your ministry is, look around you! We brought two grown adult children with us, and helping them live their

lives in decency and faith is a part of our ministry efforts. A part of my personal ministry is helping my husband, Bob, who has obtained a beautiful home for us. Would I rather be singing in Church? Shopping? Writing? Right now—at this moment—there are other priorities. Each one of us has a Priority in equipping ourselves as Believers to prepare for ministry. The Bible says, "Study to show thyself approved unto God, a workman that need not be ashamed." As you draw closer to the Lord, and if you are baptized in the Holy Spirit, you can ask God what He wants you to do. Our biggest ministry was raising our children. We have eleven grown children and sixteen grandchildren, some of whom we have not even met yet because they moved to

## Have I committed the Unpardonable Sin?

By Ken Carpenter September 1989  
[elderkc134@gmail.com](mailto:elderkc134@gmail.com)

I was preaching at the jail, and we had folks getting saved, we prayed with a group for salvation; a bit later, as I started to leave, an inmate asked; what about me? I have been a devil worshiper and have blasphemed God. Is it too late for me? Have I crossed a line with God where there is no hope? I asked him a question, are you worried about it? He answered and said, I am terrified of my fate. I told him, it is not too late; repent of your sins and make Jesus Christ your lord! With a brokenness, he repented and was saved and baptized in the Holy Spirit! The devil had told him that he had crossed a line. Many today, because of some horrible or repeated sin, have been con-

vinced they have crossed a line, the unpardonable sin. If we repent, God's grace far exceeds our sins; I knew when he told me he was scared of his fate that he had not crossed that line. The unpardonable sin is where religion has made your heart so hard and cold that all of the fear of God has been removed, and you are given a false assurance through slogans and a few isolated Scriptures like "Once saved, always saved." Christians aren't perfect; they are just forgiven"; Everyone sins"; Don't doubt your salvation; I heard you pray the prayer; so that you cease to seek God's salvation and become content in what we call respectful sins. Since they walk in a false security, they do not know about the peace or the fear of God and that they have to purify their hearts. They refuse to give up their love

for the flesh and justify themselves with a few isolated scriptures because they still love the world. They devise ways to enter the kingdom, doing the same things satan got kicked out of heaven for. There is no greater security than being in Christ Jesus, but being in him is obeying Him and dying to this flesh. (John 5:3) "This is the love of God that we keep His commandments: and His commandments are not grievous" When Jesus Christ and the Spirit of God control our lives, we overcome the flesh nature in order to be conformed to the image of Jesus. The Spirit of God leads us to overcome the nature of satan in order that we will have the nature of Jesus and be able to walk in holiness, which is a pure heart. Like the layers of an onion, the... **Continued on Page:**

Attention and Action of All Sheriffs, Attorneys General, and Governors

By Constitutional Sheriffs and Peace Officers Association (CSPOA)

UPHOLD - DEFEND  
PROTECT - SERVE

**HIGLEY, Ariz., Oct. 24, 2024 /Christian News-wire/** -- The Constitutional Sheriffs and Peace Officers Association (CSPOA) releases the following and its leadership is available for comment: Echoing Abraham Lincoln's prophetic concern, America will never be destroyed from the outside. If we falter and lose our freedoms, it will be because we have destroyed ourselves from within. It is with profound concern and urgency that we confront an unsettling reality that echoes Lincoln's warning -- a reality where our nation's foundation is being intentionally destroyed.

As we examine what is taking place in America today, one must pose the grave question championed by Patrick Henry: *"Are we disposed to be of the number of those who, having eyes, see not, and, having ears, hear not, the things which so nearly concern their temporal salvation?"* Today, a myriad of catastrophic issues including rampant crime, pervasive drug trafficking, political corruption, deep-seated divisiveness, and a staggering \$36 trillion national debt, paint a harrowing picture. Furthermore, a complicit dishonest media, egregious human trafficking, and the systematic evisceration of our Constitution, signal that Lincoln's dire prediction may indeed be our nation's epitaph. The escalation of organized violence and racial

tension, precipitated and often orchestrated by our own government and its media partners, is alarming. Those voicing legitimate concerns over the devastation of open borders and illegal alien invasions are unjustly branded as racists, thus, perpetuating a cycle of unbridled lawlessness. However, be it known to one and all; there are lawful, peaceful, and effective solutions. The Supreme Law of the United States of America states unambiguously, *"The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion."* Art 4, Sec 4, U S Constitution.

Evidence mounts daily of corrupt political figures who not only tolerate but promote illegal immigration, effectively aiding and abetting those who invade our borders. This criminal abetment has enabled international terrorists and violent cartels and gangs, to wreak havoc across our nation, from overtaking residential complexes in Colorado to compromising our electoral integrity, as evidenced by Arizona's and Oregon's recent admissions of *"accidentally"* registering non-citizens to vote.

The evidence is overwhelming and very clear that the Justice Department, DHS, FBI, and the White House, will do nothing to stop the criminal activity at our borders, leaving our nation

vulnerable and exposed to what can only be described as orchestrated high crimes and treason. In light of this national crisis, we only have one alternative, the States and Counties. We urgently call upon the Governors and Attorneys General of each State and the Sheriffs of every county and parish to initiate comprehensive investigations to determine who is responsible for these crimes and expose their motives. No One Is Above The Law!

Sheriffs, Governors, and Attorneys General possess legitimate authority and jurisdiction where violations have occurred. In fact, Sheriff Mark Lamb, one of our nation's most dedicated sheriffs, has already completed a criminal investigation on Homeland Security Director Alejandro Mayorkas. The case has been referred to the County Attorney for prosecution. The rest of the States should follow suit. The survival of our nation and the safety of the American people are in your hands.

GRATEFULNESS IN THE STORMS OF LIFE

The storms and the shadows of life come to all of us at one time or another, one way or another. So, it's not about eliminating ever having any problems in life because we know that problems will come in many different ways and how we handle them when they come. Will we look at them through the glasses of what we see, hear, and feel and handle them accordingly, or will we go to the Word of God and seek our Lord for His answers on how to deal with them? Then we decide whose report we will believe.

When we realize that Greater is He in me, and He is for me, than he who is in the world, we can take an overcoming attitude towards everything in life. When we know that we overcome by the Blood of the Lamb and the Word of our testimony, we can move forward in confidence, knowing, "We got this!"

We seek our Lord for answers, we declare and decree all He puts in our mouth to speak, in line with the Word of God, and move forward in faith and confidence, with all the Holy Spirit shows us to do. We then stand immovable in the power of the Holy Spirit, that what He has promised us He is faithful to perform it.

In the process, we stand grateful, with a heart of gratitude and thanksgiving, for all He is going to do before we even see it or have the results we are waiting for.

Psalms 100 says, "Make a joyful noise unto the Lord, all you lands. Serve the Lord with gladness~! Come before His presence with singing! Know that it is He who has made us, and not we ourselves. We are His people and the sheep of His pasture. Enter into His gates with thanksgiving and into His courts with praise! Be thankful and say so to Him, bless and affectionally praise His name! For the Lord is good, His mercy and loving kindness are everlasting. His faithfulness and truth endure to all generations."

Psalms 107 says, "O give thanks to the Lord, for He is good, for His mercy and lovingkindness endures forever! Let the redeemed of the Lord say so, whom He has delivered from the hand of His enemies."

Sometimes, we have to declare the deliverance before it manifests, by sacrifices of praise and thanksgiving. In the process, we need to look back on all that God has done for us in the past and what He is doing even now! We look at His awesome faithfulness in our lives and all the times He came through when we didn't even expect it or certainly didn't deserve it! We sing songs of gratitude and praise with a joyful heart, knowing that He didn't forsake us up till now, and He certainly is not going to start now.

He is a faithful Father who loves His children. We declare our love and surrender of our lives to Him and our gratitude and thanks with a grateful heart for all He has done, recounting all the ways and times he has poured out His blessings upon our lives. He never fails or forsakes us, and we acknowledge these promises of the Word of God faithfully back to Him.

Like the song says, "Look what the Lord has done! Look what the Lord has done! He healed my body. He healed my mind; He saved me just in time. So I'll praise His holy name! I'll praise His holy name! Look what the Lord has done!"

We sing unto Him, "God, you're so good, God, you're so good, you're so good to me!" And He has been good to you in so many different ways and at so many different times! As you allow the Holy Spirit to bring back all the ways He has blessed you, your spirit will be lifted and encouraged for all that He is yet going to do for you and all the promises He is yet going to bring into your life, and the life of your family.

Count those things that are not as though they be, and know that His faithfulness will see you through and give you a testimony. Just keep on the armor of God, holding the shield up of faith, the sword of Spirit, which is the Word of God.

So, this special holiday season, let's give our Lord the gift of **THANKSGIVING, PRAISE, AND GRATEFULNESS** for all He has done and is yet to manifest in our lives and families. Declare those things that are not, as though they be, before they are, and give Him THANKS for all the BLESSINGS He has already brought your way. Live your life this way and see what it will do for you!

Many Blessings,

**From Page 1** ... argument, I still had some shortness of breath. Anita and I prayed. As I stood at the podium, God filled my lungs. "Mr. Chief Justice, and may it please the Court," I began. My lungs were clear. My voice was strong. My mind was sharp, and the argument went very well. We won 9-0, paving the way for the Court to overturn the "Lemon Test" that was used for 51 years to erase our faith and silence our view point. No more!

Then, God's Blockbuster! On June 22, 2022, the U.S. Supreme Court overturned Roe v. Wade, citing Liberty Counsel's brief in Dobbs v. Jackson Women's Health Organization. Fifty years of abortion bloodshed were ended — a feat many, including some pro-life

leaders — said would never happen. And there's more! Last year we launched Covenant Journey Academy, a K-12 online school available 24/7/365. And we launched New Revolution, a full-service creative and printing ministry.

God is SOOOO good to allow me to see this day. I am stronger and healthier now than I was before COVID.

All I can say is remain faithful to the Lord despite what people think. Seek His direction and will. He is good. The prayers of His saints were answered. I am so grateful. It is an honor to walk this journey.

I give thanks to the Lord for rescuing me from the edge of death. I thank the Lord for our incredible staff here at Liberty Counsel, who

uncovered so much of the research and found the doctors who later saved my life and the lives of many others. I am thankful to the incredible doctors. The censorship we experienced, however, is dangerous and must stop.

Each day is a gift I will never take for granted. I am thrilled to be alive. I am committed more than ever to be obedient to the Lord's direction and be a voice of truth. And I am deeply thankful for YOU, the faithful Liberty Counsel supporter who has stayed with us throughout these many battles for life, religious liberty, and the family.

May God bless you now and always!

Kamala Harris Mocks Jesus, Kicks Out Christians

By Chaplain Gordon Klingenschmitt, PhD | [www.prayinjesusname.org](http://www.prayinjesusname.org)

"Two pro-life Wisconsin college students insist they were doing 'God's work'" when they shouted "Christ is Lord! Jesus is King" at a Kamala Harris rally in Wisconsin, reports Fox News. Kamala Harris gave anti-Jesus remarks, pausing her speech, turned her attention to them, and said, "You guys are at the wrong rally." "We got a lot of backlash," said Grant Beth, a junior at U.Wisconsin. "I was pushed by an elderly woman. We were heckled at, we were cursed at, we were mocked, and that's the biggest thing for me personally. In reflection of the event, Jesus was mocked. You know, his disciples were mocked, and that's okay. In reality, we did God's work, and we were there for the right reasons, and God is watching us in this moment."

Luke Polaske, another UW-La Crosse junior, sharply rebuked the remarks made by Harris, decrying abortion as a

Two Pro-Life Wisconsin College Students: CHRIST IS LORD! JESUS IS KING!

"sacrament to Satan." Kamala Harris then glared at the pro-life protesters as they were being physically removed. Polaske said, "On video, Grant's getting pushed and shoved, and there's about five seconds before she tells us to go to a small rally down the street. You can see on the video, she waves. She was actually waving to me. I took this cross off my neck that I wear and, as we were getting asked to leave, I held it up in the

air and waved at her and pointed at her, and she looked directly in the eye, kind of gave me an evil smirk." By contrast, VP candidate JD Vance declared "Jesus is King" at his own rally. Vance said "there is something really bizarre with Kamala Harris' anti-Christian rhetoric and anti-Christian approach to public policy." Today newspaper asks, "Is anti-Christ tag for Kamala Harris

the final nail in the coffin?" Democratic candidate Kamala Harris's approval ratings are falling with the US presidential election just a fortnight away. As her campaign seems to be floundering, her remarks to hecklers chanting "Jesus is King" is being used to paint her "anti-Christ" and "anti-Christian."

**[Dr. Chaps' comment:** Yes, Kamala Harris is anti-Christian. Her personal manifestation of demons who shivered inside of her, then mocked the name of Jesus Christ from her own lips, prove she is not in control, but Satan is. No wonder her policies are to kill more children. EVEN INDIA TODAY KNOWS KAMALA IS ANTI-CHRIST. Do you?

Have I committed the Unpardonable Sin?

Holy Spirit uses his Word and fiery trials to expose those things hidden from us so that we might repent! (1 Peter 5:6-11) As we learn to walk in the blessing and peace of God, we become more and more sensitive about avoiding sin; we are on a short leash, and when we lose our peace, we ask the Holy Spirit what did I do?? At some point, He will reveal it to us. We repent, and because of the blood of Jesus and his victory and sacrifice over sin, we are cleansed and forgiven and no longer a transgressor, and our hedge of protection and peace returns. This is the discipline that leads us to purify our hearts and love others as Jesus has loved us. (Hebrews 12:7,8)

When you go to church and hear the Word of God, it does one of two things: by your obedience, it will transform your heart slowly but surely into the Image of Jesus. If you hear the Word and don't obey, it will harden your heart, so over the years, you will get cold as ice, and because of false teaching that lets you stay in that state, you feel comfortable in that deception. On the outside, they feel justified because they have turned from the bar room sins, but in their heart, they are full of unforgiveness, fear, and worry. They become very critical and judgmental. To this man, God's precepts are chains that reveal in him an absence of love for God and men. Were his heart loving, he would not find this grievous; over time, something else will get their heart, and Jesus becomes just one of the things they do, not the principal purpose of life as the word of God demands. You will hear them make statements like, "I go to early service to get it over with!" usually because they have been a member of the church for a long time and have risen to places of authority and hold the purse strings, and block everything God wants to do because they are so set in their ways and traditions. Like the Pharisees in Jesus' Day, they could not see the Son of God, who was standing in front of them, because He did not fit in their structure and teachings of their denomination. So, they declared his works to be of the devil. That is the unpardonable sin!

This is good news to the man who feels he has crossed a line and feels condemned; repent and throw yourself on God's mercy. There is hope! The fact that you fear God shows that your heart can be pliable when put into the Master's hands. To the man that this message stings and he doesn't like it, examine yourself. Your heart is starting to get hard and cold, and you are losing your first love; repent before it is too late. To the man this message makes very angry and offended, I ask, why are you angry? Does this not expose that something is wrong with your heart? (Matthew 7:21-23)

WHERE ARE YOU GOING WHEN YOU DIE? HEAVEN OR HELL?

WHAT YOU NEED TO DO, IS SIMPLY:

- Admit that you are a sinner. **Romans 3:23** "For all have sinned, and come short of the glory of God."
- REPENT AND ASK HIM TO FORGIVE YOUR SINS **Romans 5:8** "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us."

confess now that Jesus is Lord of your life. **Romans 10:9-10** "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. 10 For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation."

# She Lay in the Parking Lot After Her Abortion, Begging God to Let Her Die

By Sarah Terzo | [www.LifeNews.com](http://www.LifeNews.com)

In her 2021 book, author Gina Warden told her abortion story. Warden was only 15 when she became pregnant. Her parents were divorced. Her mother suggested abortion and made the arrangements. Her father never knew. Warden's 19-year-old boyfriend wanted her to have the baby and left "voicemail after voicemail" pleading with her not to abort. After the abortion, he left town, and they never spoke again.

**At the Abortion Facility**

She stayed with her mother for the weekend, and her mother's boyfriend dropped them off at the abortion facility. Warden was taken into a room by a "super talkative" nurse who was "chipper and nonchalant." Warden says: It went from me thinking she was so sweet to thinking she was annoying and trying to hide something...and she was. She was trying to hide the fact that what I was about to do was actually going to kill a baby.

**Informed Consent?**

An informed consent law requires pre-abortion counseling by a licensed physician, licensed registered nurse, or a counselor with at least a bachelor's degree in psychology. The law said the counselor must provide "factual information." Warden remembers this "counseling": You are about to have a procedure that will end your pregnancy. Once this procedure is complete, you will no longer be pregnant. You will be under anesthesia when it happens, so you won't feel anything. When you wake up, you will have a pad on and will have cramps for a couple days. These will be like having bad cramps during your period but then it will all be over. Warden was given no information about the development of her baby, abortion's physical and emotional risks, or alternatives.

**Pain and Emotional Trauma**

Warden lay on the parking lot asphalt, with her head on the curb, sobbing. She says:

I was in so much pain. The cramps were worse than I had ever had. My stomach hurt and I just wanted to cry. I didn't know how to make any of the pain stop...I felt more alone and more ashamed of everything that had just happened than I had ever felt in my entire life. Warden wasn't sure if she believed in God, but she began to pray, begging God to let her die so she could escape her pain. She begged God to send a car to hit her as she lay there. On the drive home, she says, "I was begging to die and trying to figure out how to make it happen without having to do it myself."

**Kicked out of the Facility**

Warden was put to sleep for her abortion, and when she woke up, she felt emotionally traumatized. She says: I did not understand why I felt the way I did. This was horrible and not what we talked about previously. This "procedure" was supposed to fix everything, not make me feel worse. She was extremely groggy, had a hard time waking up, and vomited twice. The new nurse assigned to care for her was impatient and angry. According to Warden, "She was almost disgusted with having to care for me."

Warden was the last patient in the facility and the workers wanted her to leave, even though she hadn't fully recovered. Her ride wasn't back yet, but she and her mother were ushered out the door. According to Warden, who was still unable to stand, "The nurse did not care." When her father picked Warden up from her mother's house, they drove past a pro-life demonstration. Some signs said, "You KILLED your baby!", "Murderers go to HELL!", and "Jesus doesn't love baby killers."

Her father noticed something was wrong, but Warden told him she was alright. But she says: Inside I was screaming, "No!! I'm not alright! I just killed my baby and I want to die!!!" I was barely holding it together... We pull in the driveway, and I almost run inside. I make it to the bathroom just as the vomit hits my mouth... "Murderers go to HELL." That sign ran through my mind. I laughed a delusional laugh while my

head was in the toilet and thought, "I'm already there."

**Trying to Cope**

After the abortion, Warden tried to cope by drinking heavily. She began to spend time with a much older crowd. She says she didn't realize "that it wasn't right for these 23-28-year-old guys to be hanging around 16-year-old me." When Warden began to lose her enthusiasm for drinking and refused to have sex with a 27-year-old man who was part of the crowd, her new "friends" abandoned her. She says, "I felt empty and broken all over again. In my very immature and trauma-ridden mind, this was all because I was just not worthy of love. I was being punished for killing my baby."

Warden continued to struggle with post-abortion trauma. She became engaged to a Christian man and mentioned her abortion during pre-marriage church counseling. Unfortunately, she was "immediately shamed" and forced to leave the church. She and her fiancé did marry, but she wound up divorced and raising two children alone.

**Horrific News**

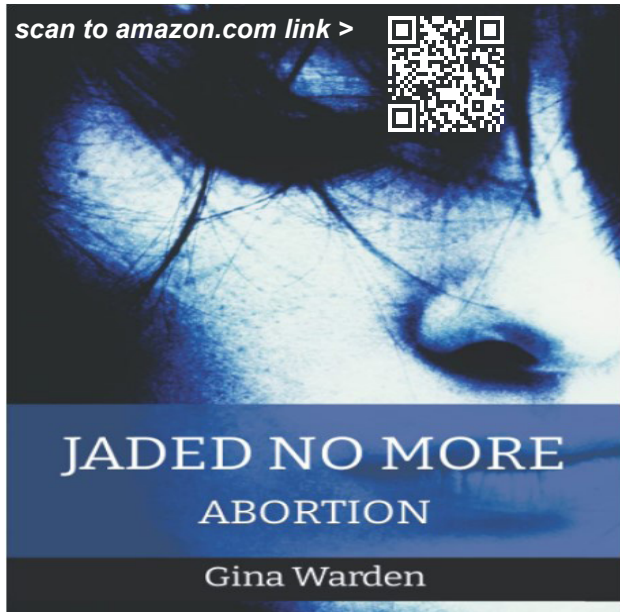

One night, something happened that caused things to get even worse. Her abortionist was on the news. She found out that years ago he'd been caught throwing aborted babies in the trash. She wondered if that had happened to her baby. But he was in the news again because he was caught sexually assaulting women while they were under anesthesia during their abortions. Warden says: I had been through that

kind of trauma when I was younger, and I felt violated all over again. I not only had an abortion by this doctor, who might have thrown my baby in the trash, I also might have been sexually abused by him.

**Eventual Healing**

Although it took years, Warden did eventually come to a place of healing. Her story shows the trauma abortion can bring and how it can be compounded when pro-life Christians are cruel to post-abortive women. Fortunately, many Christian groups are supportive of post-abortive women and help them find healing. Christians need to follow the words of Jesus: "Judge not, and you won't be judged." Jesus gave no exceptions to this command. Every post-abortive woman, regardless of whether she regrets her abortion or whether she struggles emotionally, deserves compassion and acceptance. Those of us who haven't faced an unplanned pregnancy should be grateful we were never in that position. And those of us who experienced an unplanned pregnancy and chose life shouldn't judge those who weren't able, for whatever reason, to make the same decision. For those of us who are pro-life, we need to work for a better world where women are empowered to choose life and face fewer obstacles and pressures. We have no right to judge or be cruel to anyone, or to see ourselves as superior.

**LifeNews Note:** Sarah Terzo covered the abortion issue for over 13 years as a professional journalist. In this capacity, she has written nearly a thousand articles about abortion and read over 850 books on the topic. care they need." Dr. Smith emphasizes that it is possible to respect the lives of women while also saving the lives of viable babies. He has aligned with the growing pro-life movement, advocating for alternatives to abortion and calling on voters to make their voices heard at the polls.

Troy Newman, President of Operation Rescue, expressed his respect for Dr. Smith's transformation. "For decades, we protested outside of Dr. Smith's clinics, fighting against what we saw as a terrible injustice. Now, to call him a friend and ally in the fight to protect the unborn is a remarkable moment. His decision to stand with us and speak out for life shows how powerful truth can be. Together, we now work to save the very lives we once stood on opposite sides over."

Dr. Smith's announcement marks a monumental moment in the pro-life movement as the country prepares for critical votes in 10 states. His newfound advocacy adds a powerful voice to those working to protect the lives of unborn children.

# Miracle Power Transforms Lives at Joan Pearce’s School of Prophetic Evangelism

By Rev Joan Pearce

The School of Prophetic Evangelism, led by Joan Pearce, captures hearts and changes lives as participants encounter healing, deliverance, and the power of the Holy Spirit. Through immersive teaching and miraculous spiritual encounters, this school trains attendees to hear God’s voice and share His love with others in extraordinary ways. Many people were healed, delivered, and set free. We had many wonderful encounters with the Holy Spirit in the school. “Our focus is on helping people recognize and respond to the Holy Spirit,” says Pearce. “We teach participants how to approach others, sharing messages of hope as the Holy Spirit flows through them.” We teach you how to hear God’s voice and be a blessing as the Holy Spirit directs. The results have been remarkable. Many who have attended the meetings have experienced life-changing miracles, often beyond what they could have imagined. One attendee, bound to a wheelchair, rose and walked again. Another, suffering from sclerosis of the liver, reported complete healing. Several participants with severe back pain were freed from discomfort entirely. One particularly moving story involves a woman who had lost use of her left arm, likely due to a stroke. In response to a word of knowledge called out by Pearce, she came forward, prayed, and regained full movement in her arm. Another individual, battling a long history of drug addiction, testified to being fully set free from his dependency. We have had so many miracles and testimonies of people being healed miraculously out of the School of Prophetic Evangelism; you may be the next! Each night includes special prayer for the sick, with a call to believe in miracles and the possibility of total freedom and healing. For those longing to experience a move of God firsthand, Pearce invites all to come, be blessed, and bring a friend. With a promise of transformation and a reminder that “nothing is impossible with God,” this school is a gathering place for those seeking the supernatural in their walk of faith. Come and witness what faith can do! Nothing is impossible with God, and when we believe, we’ll see you healed, delivered, and set free. Come be blessed and bring a friend. +++

# Victory! Congratulations, President Trump!

From Page 1

For the mystery of lawlessness [rebellion against divine authority and the coming reign of lawlessness] is already at work; [but it is restrained] only until he who now restrains it is taken out of the way. - 2 Thess 2:7 AMP

The one restraining evil on earth today is the Church. Consider if the church’s influence was removed from the election last night. What would have happened? Without this spiritual restraint, unchecked evil would take hold, leading to moral and societal decay. Evil would have triumphed unchecked. There would be very little to no resistance. Some issues at stake include taxpayer-funded abortion and forced acceptance of values that compromise personal convictions and parental rights. If there were no church, we would be forced into taxpayer-funded abortions up to birth and even after. We would be required and possibly jailed if we did not go along with the perverted lifestyles of the ones who want to push their homosexual, transgender behavior on those who oppose. Our children would be mutilated without parental consent to become the opposite sex, according to whatever nefarious imaginations coupled with greed imagine them to be; there would be no restraint. We would come under socialist control, losing our freedoms and living under the censorship of globalist control, dictating our lifestyle and our money and taking away all semblance of freedom. Right is wrong, and wrong is right would become the law of the land. We came close to seeing such threats become laws, yet faithful prayers restrained. God’s church, the body of Christ on the earth today, buffers the evil that tries to rule. The church remains a stabilizing force against such threats, advocating for life, liberty, and truth. The church stands tall in the face of evil and says stop! Go no further; you are bound in Jesus Name. Satan must obey. There will come a time, according to scripture, when the church will be taken from the earth, allowing evil to operate unimpeded. Evil will think they have won. But they are mistaken again. But for now, believers stand as a barrier, shutting down the darkness with faith, prayer, and skillful use of the Name of Jesus. I am reminding you of this as we came very close to these evils being the law of our land. It is the church that prayed, and God moved. No to abortion, No to Marijuana, yes to Jesus, yes to Godliness, and yes to freedom! We are commissioned to help save people from destructive paths, bring them hope, and reconcile them to Christ. The church has the answers, the strength, and the wisdom to ensure God’s abundant life now and forever. When someone accuses the church of “holding us back” or hindering “progress,” I say thank you for the compliment! That is precisely what we are commissioned to do. Thank you, Jesus, and thank you, Church. Let’s be about the Father’s business.

# The Hidden Agenda: How Climate Control Is Paving the Way for the Anti-Christ

Pastor Chuck Kennedy | Faith International International Christian Center  
www.ficcWordChurch.org | www.God-isReal.com | ficcpastor@yahoo.com

At first glance, climate control may seem like a worthy cause, a step toward preserving the future for generations to come. If it were based on solid truth, efforts to correct environmental issues would be worthwhile. Unfortunately, many scientists have disproved the theory of global warming. If the theory doesn't hold up, then it's being used as a propaganda tool, a tactic to instill fear and control the people of the earth, drawing them into the devil's ultimate trap. Jesus said the devil is a liar and the father of lies, meaning everything he says is a lie. This accurately describes climate change, global warming, the greenhouse effect, or any of its various names. Why would this be a satanic ploy? What would the devil gain from it? In Revelation 13, John describes a Beast emerging from the peoples, demanding total control over all nations, governments, and people. This Beast is known as the Anti-Christ.

**Rev 13:1** And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

**Rev 13:8** And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

**Rev 13:14** And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth,

*that they should make an image to the beast, which had the wound by a sword, and did live.*

**Rev 13:15** And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

**Rev 13:16** And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

**Rev 13:17** And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

**Rev 13:18** Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

So, how does climate control relate to the Anti-Christ? It's a powerful means of control, something people can easily buy into if presented as a cause for the greater good. The agenda convinces them to work together toward a "better" society without realizing the true intentions behind it. The problem is that the elite oligarchy controlling this agenda has nefarious goals in mind unrelated to improving and prolonging society. They use climate control to push for a one-world government, aiming to fundamentally reshape life as we know it. Consider the narrative they present mandates for electric vehicles, elimination of fossil fuels, blaming cows for carbon emissions, and replacing them with lab-grown meats and veggie burgers. Bioengineered foods are promoted, reducing the need for farmland without considering the potential health risks from untested genetic alterations in our bodies. The concept of "15-minute cities" is being pushed, where people don't own vehicles or much of anything else—and are expected to be happy about it. Tampa, for example, is already actively working on this through its "Tampa Moves" plan. Governments are making changes to accommodate the elites' dictates on climate change, sacrificing citizens' welfare through increased prices, job losses, and a complete overhaul of our way of life.

It's disheartening to see gullible Christians displaying climate change slogans on social media and bumper stickers. It's concerning that there is a lack of discernment among God's people. Christians are meant to have supernatural insight into these events to avoid the coming judgment. Luke reminds us to live worthy lives to escape the coming judgment.

**Luke 21:35** For as a snare shall it come on all them that dwell on the face of the whole earth.

**Luke 21:36** Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Today's climate control agenda is embedded deeply into national policies, international finance, and even consumer behavior. Here's how far-reaching it has become:

**•Policy Influence:** Climate considerations now shape energy, transportation, and agricultural policies worldwide. Political platforms increasingly feature climate change as a priority at local, national, and international levels.

**•Economic Realignment:** Green finance and investment standards are reshaping global markets. Major corporations are divesting from fossil fuels, while green bonds and climate funds have become mainstream in capital markets.

**•Public Engagement and Societal Norms:** There's an increased focus on influencing consumer behavior—encouraging reduced energy consumption, lower meat intake, and promoting "sustainable" brands and products. Wake up, Church, and recognize how close we are to the end of society as we know it. Digital IDs are being rolled out, along with Central Bank Digital Currency, as part of this deceptive plan. Both will be used to govern businesses and individuals, pushing them into total submission to a "green" carbon-friendly scorecard. And if you resist, you may be denied fundamental rights, compelling you to comply with their agenda. These plans are already underway. Governments and corporations already incorporate carbon footprint metrics into their planning and production. Who benefits from this intricate plan? Satan, primarily, but he's manipulating the greedy elites—such as the WHO and the WEF—who believe they will gain wealth and power through global submission. However, it will sting them in the end, like the serpent it is, when the Church is removed and it is fully implemented, bringing the judgments of God upon them in a calamitous whirlwind. Then, the Lord will pour out the judgments revealed in Revelation. Their wealth and false sense of superiority will do them no good. Jesus, Lord of all, will return to show satan and his followers who truly reigns, and they will be defeated. I sincerely urge you to do some soul searching, to step away from worldly influences, and to surrender completely to the leadership of the Lord Jesus. Do not fall for these cunning tricks; stand for righteousness and discern the times. This is not optional; your eternity depends on it. Repent of any blindness and cry out to God for salvation and deliverance before it's too late. This is my heartfelt prayer for you.

**Rom 13:11** And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.

**Rom 13:12** The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light.

**Rom 13:13** Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying.

**Rom 13:14** But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof.

Amen, come Lord Jesus!
