Questions on Divine Healing

Question:

If God is in control, then isn't God allowing sickness even if it is Satan, God is still allowing him or He could stop him from putting it in me. Please explain

Answer:

Yes, God is in control, but no, it is not God allowing Satan to afflict people. God has given man that authority, but they are not using it. People are allowing the devil place in their life, not God.

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. Luke.10.19

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. 1Pet.5.8-9

Submit yourselves therefore to God. Resist the devil, and he will flee from you. Jas.4.7

My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children. Hos.4.6

Jesus came to defeat Satan for us

He accomplished that and arose from the dead

Jesus was the last Adam

He took back what Adam gave away

Dominion on earth

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

John.10.10

We blame God for what we allow.

Jesus did not pray for sick people; He exercised His authority to heal them

We are healed by His stripes.

So, if I am healed, The only way to lose it is if Satan somehow steals it from me.

God defeated him; Now, we must say no to him.
