A Simple Way to Fund the Gospel: Life Insurance with an Eternal Impact

www.wefundthegospel.org

Our Gift to you A Free Will or Living Trust No purchase Necessary

In these perilous times, the gospel must go forth like never before. As believers, we are called to steward our resources wisely, ensuring that God's work continues—not just during our lifetime but even after we have gone home to be with the Lord.

One of the simplest and most powerful ways to support the gospel is by tithing on your estate through life insurance or annuities. Many assume estate-giving is only for the wealthy, but the truth is, when many believers each contribute a portion, we can collectively and miraculously fund the Kingdom.

You can easily designate a portion of your existing life insurance policy—or purchase a new, affordable policy—naming your church, a ministry, a missionary, or an orphanage as a beneficiary. It's as simple as updating your beneficiary designation or setting up a policy with this purpose in mind. If you rely on an income now, like an annuity, you can also structure one to continue funding the gospel after your passing.

Think about it: Would your church miss your tithe when you're gone? What about the missionaries, ministries, and outreaches that depend on your monthly support? With a little planning, you can ensure they continue receiving support, even in your

This is not about taking away from your family's needs—it's about comfortably and affordably protecting both your loved ones and the work of the Lord. God honors the giver, and as Scripture reminds us, "Give, and it shall be given unto you" (Luke 6:38). At WeFundTheGospel.org, we specialize in utilizing proven financial tools to effectively fund the gospel. Whether it's through life insurance, annuities, or legacy planning, our mission is to help everyday believers leave an eternal impact.

To help you take the first step, we're offering a FREE Will or Living Trust—prepared by Christian attorneys and valid in all 50 states—with absolutely no obligation to purchase anything. This is our gift to уои.

 \longrightarrow Call: 941-447-4538 today or visit: www.wefundthegospel.org to get started.

Securing your future and strengthening the gospel. Providing for your loved ones while planting for the Kingdom. Life insurance an eternal impact. Simple giving, lasting impact. Our goal: Protecting families. Promoting the gospel. Funding the gospel.
