BRADENTON, FL. 34280 HE'S ALIVE NEWS PO BOX 14931,

Healed of Multiple Sclerosis

our Lord Jesus Christ;

By Gertrude Ticer

I want to tell you about a miracle that happened to me, by one prayer, after I had the correct instructions about divine

healing. Everything we receive from God comes through His grace, by faith. I had multiple sclerosis for more than fifteen years. I could not walk around without stumbling and falling. Many times, I was in a wheelchair. I often broke my bones. But I firmly believed that the Lord was going to heal me. If there is no cure for an illness, humanly speaking, it does not matter—healing comes from God, and there is nothing impossible with Him (Luke 1:37). My church did not teach divine healing, but my Bible does. So if your church does not teach you about divine healing, your Bible teaches it. Isaiah 53:5 says, "With His stripes we are healed." Hebrews 13:8 says, "Jesus Christ the same yesterday, and today, and forever." That verse became alive to me. I said to the Lord, "If Jesus is the same today, and You are no respecter of persons, and by His stripes we were healed—then this is for me." Faith comes by hearing, and hearing by the Word of God

(Romans 10:17). I kept reading the Word, but in the meantime, my condition kept getting worse. I became more and more paralyzed. One doctor

is delayed, but it is never denied. While I was in the hospital, I had three heart attacks and a stroke. They put me under an oxygen tent, and I would say to the Lord, "There is room for two—Jesus and me." The nurse said, "Don't talk." But you don't have to shout to Jesus. I would pray inside and feel His presence, and I knew the answer was on the way. My prayer was: "Lord, make me whole again. Not just bettermake me whole.'

Spiritual Preparation for Healing The Lord began to deal with me concerning many things. I had worked in church for 25 years and thought I was doing well-but told me the day would come the Lord thought otherwise. He when I would be completely said, "Do you love your neighbor blind. By Apostle Ezekiel Udoh – facebook.com/ezekiel.udoh

My name is Ezekiel Udoh, from the southern part of Nigeria. My life can be summed up by the words of the Apostle Paul in 1 Corinthians 15:10 "But by the grace of God I am what I am." Truly, my life is nothing but grace.

I was born into a very poor family in a rural village. Before I was born, my father told me that my mother had already given birth to five children, and every one of them died before reaching the age of two.

When my mother became pregnant with me, fear filled her heart. She decided to leave home and live in a little church in our village. She stayed there throughout her pregnancy, praying and trusting God for my

A Simple Way to Fund the Gospel: Life Insurance with an Eternal Impact www.wefundthegospel.org

ABIGIMPACT LATER!

GIVING BEYOND A LIFETIME

Our Gift to you A Free Will or Living Trust No purchase Necessary

In these perilous times, the gospel must go forth like never before. As believers, we are called to steward our resources wisely, ensuring that God's work continues—not just during our lifetime but even after we have gone home to be with the Lord.

One of the simplest and most powerful ways to support the gospel is by tithing on your estate through life insurance or annuities. Many assume estate-giving is only for the wealthy, but the truth is, when many believers each contribute a portion, we can collectively and miraculously fund the Kingdom.

You can easily designate a portion of your existing life insurance policy—or purchase a new, affordable policy—naming your church, a ministry, a missionary, or an orphanage as a beneficiary. It's as simple as updating your beneficiary designation or setting up a policy with this purpose in mind. If you rely on an income now, like an annuity, you can also structure one to continue funding the gospel after your passing.

Think about it: Would your church miss your tithe when you're gone? What about the missionaries, ministries, and outreaches that depend on your monthly support? With a little planning, you can ensure they continue receiving support, even in your

This is not about taking away from your family's needs—it's about comfortably and affordably protecting both your loved ones and the work of the Lord. God honors the giver, and as Scripture reminds us, "Give, and it shall be given unto you" (Luke 6:38). At WeFundTheGospel.org, we specialize in utilizing proven financial tools to effectively fund the gospel. Whether it's through life insurance, annuities, or legacy planning, our mission is to help everyday believers leave an eternal impact.

To help you take the first step, we're offering a FREE Will or Living Trust—prepared by Christian attorneys and valid in all 50 states—with absolutely no obligation to purchase anything. This is our gift to you.

There is both a calling and passion with the school overseers to raise up healthy leaders who overflow in the authentic and powerful love of Jesus to bring His Kingdom influence to every area of society. Kingdom School Director Benjamin Houghton writes, "We believe there are no limits to the measure by whhich a life can be transformed in the hands of Jesus, and no limits to what Jesus can do through a life fully laid down. We are greatly honored to serve those who Jesus calls to Kingdom School of Revival and we have very high beliefs about where Jesus is taking them"

Can God Really Heal? Is Healing for Me?

By Bob Duffany

Many people who have an image of themselves as being in poor health will talk about poor health. Even though they may be in good health, even unto their death.

Proverbs 18: 21 confirms this. Death and life are in the power of the tongue, and they that love it shall eat the fruit thereof.

What you believe and speak not only affects your body but your immune system as well. Your words become either a blessing or a curse to you.

Jesus put it this way: a good man out of the good of his heart brings forth I will heal him. that which is evil. For out In the book of proverbs, from you! of the abundance of the there are 10 or more It is not only your thought Luke 6: 45.

I'm Charlene Townsley, and about three weeks ago, I was supposed to start my new job with the school board when I started feeling ill. I never said anything, but it got a little worse. And so, I had to get a hold of the lady to ask her if I could start the next week?

An adventure into the Supernatural

This is a book with a message. A walk into the supernatural. The story shows how some families have trails of chronic sickness, depression anger, habits of booze and drugs, suicide attempts and tiredness constantly. These are not brought on necessarily by emotions. There is something sinister and evil in the background, it's a battle between angels who fight evil spirits with bolts of lightning and demons fighting for the souls of men. The story follows four families three generations to see how demons are passed from one to another. It reads like a movie.
